The full-day course designed to provide specialist training to Police motorcycle riders. The invaluable training uses a wide range of off-road riding techniques aimed at improving road motorcycle control. The event utilizes both the indoor circuit and outdoor facilities on the latest fleet of Suzuki off-road motorcycles.

Course Highlights:

- Specifically designed for Police motorcyclists
- Machine control on loose surfaces
- Off-road techniques applied to maximise wheel slippage
- Improve road bike riding
- Indoor and outdoor facilities used
- Latest Suzuki off-road motorcycles
- Lunch provided
- All kit provided

About Wheeldon Off-Road Centre

Set in 240 acres of beautiful rolling South Devon countryside, Wheeldon Off-Road Centre provides the perfect weather-proof backdrop to some of the best off-road riding you'll ever experience.

From junior to adult, male or female, novice or experienced, Wheeldon Off-Road Centre offers a vast range of training and riding to suit every ability, under the guidance of highly experienced ACU instructors.

Wheeldon boasts a purpose-built 30,000 square foot indoor arena, junior training area, outdoor MotoX track, and the UK's largest concentration of green lanes on the doorstep offering some of the best off-road riding that this country has to offer. With a full complement of up-to-date Suzuki GB off-road motorcycles, the Centre has a range of bikes and riding to suit everyone.

Wheeldon Farm boasts five beautifully appointed, self-catering, traditional stone cottages on site. A split-level games room and heated indoor swimming pool provide the ideal place to relax post-track activities.
