Got a score to settle with work colleagues? Looking for something outside of the box as a team building exercise? Or simply want to have a fun night out with a twist? Wheeldon has the answer. Book now for the Teamed Enduro Pursuit event on the indoor arena riding the latest user-friendly Suzuki DR-Z125 off-road motorcycles. Teams are set by the experienced Wheeldon staff to make the most of this highly enjoyable Enduro style inter-team competition as riders negotiate the indoor arena complete with added disciplines. Each team must complete the course, rotating riders while keeping the engine running. Riders breaking the circuit rules are 'sin binned', adding penalty points to the team. Great fun and even better team building. All kit provided, and food is available by arrangement

### About Wheeldon Off-Road Centre

Set in 240 acres of beautiful rolling South Devon countryside, Wheeldon Off-Road Centre provides the perfect weather-proof backdrop to some of the best off-road riding you'll ever experience.

From junior to adult, male or female, novice or experienced, Wheeldon Off-Road Centre offers a vast range of training and riding to suit every ability, under the guidance of highly experienced ACU instructors.

Wheeldon boasts a purpose-built 30,000 square foot indoor arena, junior training area, outdoor MotoX track, and the UK's largest concentration of green lanes on the doorstep offering some of the best off-road riding that this country has to offer. With a full complement of up-to-date Suzuki GB off-road motorcycles, the Centre has a range of bikes and riding to suit everyone.

Wheeldon Farm boasts five beautifully appointed, self-catering, traditional stone cottages on site. A split-level games room and heated indoor swimming pool provide the ideal place to relax post-track activities.
